Royal Caribbean's Voyager of the Seas is the largest ship to sail from the Lone Star State. This magnificent floating resort boasts a 308-ft long, three-story tall Royal Promenade, right in the middle of the ship. It's a sight to behold with shops, eateries and fun activities.

Join Rockport Tours on this super winter cruise to the crystal blue waters of the Caribbean. At this price it's another great vacation on the Voyager of the Seas!

**DAY 1: Galveston.** Welcome to the Port of Galveston. Climb aboard the 138,000-ton Voyager of the Seas and relax with a lunch buffet; later, a sumptuous dinner and "Welcome Aboard" show! (L,D)

**DAYS 2-3: At sea!** Enjoy two days to roam around your resort home. Stroll the promenade with its shopping, dining and entertainment venues. Discover the five-story theater inspired by Milan's La Scala opera house or see an ice-skating show. You'll also find a great Italian restaurant and a 1950s-style Johnny Rockets diner. (B,L,D)

**DAY 4: Roatán, Honduras.** This largest Honduran island is a water sport paradise. It's an unspoiled island surrounded by the world's second-largest coral reef which houses hundreds of varieties of beautiful sea life. You can swim with the dolphins, take a snorkel & barbecue excursion and bargain with the locals. There are also fine restaurants, bars and attractions, such as Butterfly Park, Marble Hill Farms, the Iguana Farm and Carambola Gardens. But best of all, make sure to spend time exploring some of the most pure and unbathed beaches in the Caribbean. It's all there for you to enjoy at your own leisurely pace. (B,L,D)

**DAY 5: Belize City, Belize.** Belize is wonderfully diverse. With miles of lush tropical rain forest, a gorgeous Caribbean coastline and the longest barrier reef in the Western Hemisphere, it doesn't take long to realize why it is known as "The Jewel." Relatively small, the second smallest country in Central America (after El Salvador), Belize is the biggest protector of its natural resources. Ancient ruins indicate that Belize was first inhabited by the Mayans in 900 A.D. This Indian heritage, combined with a rich European history, creates a destination full of charm and wonder for all to discover. You can go cave tubing, soar above the jungle canopy and explore Mayan ruins. (B,L,D)
