

Explore the Beauty of Alaska!!!

Alaska is the one trip that everyone should take. Even our Texas travelers will be amazed by the sheer enormity of this land. Endless days will greet you, populated by interesting people. Every vista is photo worthy, every day is special when you wake up in the 49th state. Plus, unlike the cruises that depart from Seattle, you will be cruising the Hubbard Glacier!

Hubbard Glacier begins 250 feet below the water and towers 350 above you. It is 7 miles wide and 76 miles long. North America's largest tidewater glacier is sure to help you put things into perspective!
