Highlights

Dogwood Canyon

This 10,000 acre paradise is sure to be a favorite! Covered bridges, crystal clear waters, waterfalls, wildlife and more will be part of your time here!

ThornCrown Chapel

Nestled in a woodland setting, ThornCrown Chapel rises forty-eight feet into the Ozark sky. This magnificent wooden structure contains 425 windows and over 6,000 square feet of glass. It sits atop over 100 tons of native stone and colored flagstone, making it blend perfectly with its setting. The chapel's simple design and majestic beauty combine to make it what critics have called "one of the finest religious spaces of modern times."

The Holy Land Park

The Holy Land Park will be the setting for the Passion Plays, but there is so much more to see and do. Many of the structures were brought over from the areas where Jesus spent his life. The backdrop is perfect for the re-enactments of miracles and more!
