

# Crawfish Festival

Join us in Fredericksburg where the Annual Fredericksburg Crawfish Festival is set to ignite Downtown Marktplatz with flavor and fun on Memorial Day Weekend, May 25, 2024. As the festival returns, so does the promise of a weekend brimming with activities for the whole family. From indulging in mouthwatering Cajun cuisine to tapping your toes to live music, browsing through charming shops, and delighting in activities designed for all ages, this event embodies the vibrant spirit of the community.

But the allure of Fredericksburg extends far beyond its crawfish festivities. Nestled in the heart of Texas Hill Country, this charming town beckons with a rich tapestry of history, culture, and outdoor adventures. Wander through time at the National Museum of the Pacific War or the Pioneer Museum Complex, where the stories of the past come to life. Stroll down Main Street, adorned with restored Victorian buildings housing antique shops and local boutiques, offering a glimpse into the town's heritage and charm.
